Second OCdBIO (2009 data)

*Occupational Cadmium Bio-
monitoring observatory*

Patrick de Metz

Second OCdBIO (data 2009)

□ Reminder:

- Anonymous data sent to ICdA as trustee,
- Data aggregated across all respondents and shared with Pr Bernard,
- Pr Bernard to conduct a review and present us with results in the next H&S Ctee with an assessment.

□ Changes over last year:

- Additional column specifying the number of workers medically removed from Cd exposure for each Cd-U category,
- No other changes.
